Executive Director, Review Committee for Urology

DATE: May 26, 2026

RE: Call for Resident Member: Review Committee for Urology

---

The Review Committee for Urology is seeking nominations for its next resident member.

#### **Qualifications of the Resident Member**

A nominee must be a resident in good standing in an ACGME-accredited urology program, or a fellow in good standing in an ACGME-accredited pediatric urology or urogynecology and reconstructive pelvic surgery program. A nominee must be able to serve a two-year term beginning July 1, 2027. Attendance at the April 2027 Review Committee meeting in person, as an observer, is also required. A nominee must not be from the same institution or city/metropolitan area as another current member of the Review Committee, and no more than two Review Committee members, including the resident member, may be from the same state. Accordingly, individuals from the following areas and institutions cannot be nominated:

Henry Ford Health System; Detroit, Michigan  
Mayo Clinic; Jacksonville, Florida  
MedStar Georgetown University Hospital; Washington, DC  
Nemours/Al DuPont Hospital for Children; Wilmington, Delaware  
State of Texas  
University of Kansas Medical Center; Kansas City, Kansas  
University of Louisville; Louisville, Kentucky  
University of Washington; Seattle, Washington  
Vanderbilt University; Nashville, Tennessee  
Washington University School of Medicine; St. Louis, Missouri

#### **Responsibilities of the Review Committee Resident Member**

The resident member participates as a full voting member in all Review Committee activities, including program review and policy discussion. The

resident member is subject to the same confidentiality, conflict of interest, duality of interest, and fiduciary responsibility policies as the other members. The resident member must be able to devote several hours to program review before each Review Committee meeting.

The resident member is also a member of the ACGME Council of Review Committee Residents (CRCR). The CRCR is composed of the resident members of each Review and Recognition Committee and provides valuable input and feedback to the ACGME Board about matters related to residents/fellows, graduate medical education, and accreditation.

### **Selection Process**

The Review Committee will review nominations and forward its selection for its next resident member to the ACGME Board of Directors for approval.

### **To Submit a Nomination**

To nominate a resident/fellow, a program director must submit a letter of recommendation. The letter must state that if chosen, the nominee will have sufficient time to review programs, attend Review Committee and CRCR meetings, and participate in activities of the Review Committee and the ACGME as expected. The resident/fellow must complete a nomination form, which can be requested from Associate Executive Director Shellie Bardgett: [sbardgett@acgme.org](mailto:sbardgett@acgme.org).

Email the letter of recommendation, completed nomination form, and the resident's/fellow's CV to Shellie Bardgett ([sbardgett@acgme.org](mailto:sbardgett@acgme.org)) by August 7, 2026. A member of the Review Committee staff at the ACGME will confirm receipt of the nomination.

### **Additional Information**

The Review Committee meets three times per year, in January, April, and August. The duration of each January and April meeting is two days, occurring in person. The August meeting is one day in length and held virtually.

The CRCR meets twice per year, for two days, in May and September.

All in-person meetings occur at the ACGME office in Chicago, Illinois, and all in-person meeting-related expenses are covered by the ACGME.

Information specific to the Review Committee for Urology can be found on the [Urology](#) section of the ACGME website. Contact Shellie Bardgett with questions via email at [sbardgett@acgme.org](mailto:sbardgett@acgme.org), or via phone at 312.755.7071.

---
